**Brand Advocates** Mar 15 2022 Praise for Brand Advocates "Ignite your Advocates! Fuggetta shows you how." —SCOTT MONTY, Head of Social Media, Ford "Creating and amplifying authentic Advocates should be front and center on every marketer's agenda. This book is a blueprint for how to turn genuine Advocates into a powerful marketing force." —SUSAN HELSTAB, Executive Vice President of Marketing, Four Seasons Hotels and Resorts "Advocacy is the ultimate goal for every brand. And Rob Fuggetta has given us the ultimate guidebook to brand advocacy. Simple, clear, and filled with practical advice, this book shows you how to turn your enthusiastic customers into a powerful Brand Army." —PORTER GALE, former Vice President of Marketing, Virgin America "In an era of connected consumerism, advocacy puts the word in word of mouth. Nothing is more authentic or effective. This book shows you exactly how to find and engage your advocates." —BRIAN SOLIS, Principal Analyst, Altimeter Group, and author, *The End of Business as Usual* "Inspiring Advocates is one of Method's seven obsessions. Get this book and be inspired. Highly recommended!" —ERIC RYAN, Cofounder, Method "Fuggetta's equation for building great brands in the social media age is proven and powerful. Every hotel marketer should read this book." —CHIP CONLEY, Founder, Joie De Vivre Hospitality, and author, *Emotional Equations* "Brand Advocates is a book every public relations professional should read. It's the definitive guide to authentic advocacy." —AEDHMAR HYNES, Chief Executive Officer, Text 100 Public Relations "Companies aren't trusted, brands aren't trusted, and nor are your executives. People trust each other, and now they

have the tools to communicate with each other using social technologies and mobile, with or without brands involved. As a result, trust has shifted to the participants. Many brands, knowing their credibility has diminished, rely on advocacy programs where trusted members of the community are given a platform and encouraged to speak. Fuggetta shows you exactly how to create an advocacy program that empowers your trusted Advocates." —JEREMIAH OWYANG, Partner, Altimeter Group

**The Barefoot Bandit** Feb 02 2021 The Barefoot Bandit tells the riveting true story of Colton Harris-Moore, America's twenty-first-century outlaw. Born into a poor family marred by alcohol abuse, Colt had the local sheriff after him before the age of ten. Colt survived by breaking into homes to forage for food, and learned to evade the police by melting into the Pacific Northwest wilds. As a teenager, he escalated to stealing cars, boats, and identities. An extensive manhunt finally caught Colt, but he escaped juvenile prison and fled to nearby Orcas Island, where he assured his place alongside outlaw legends such as D. B. Cooper by stealing an airplane without ever having a formal flight lesson. And that was just the beginning. As a resident of Orcas Island, author Bob Friel witnessed firsthand as local police, FBI agents, SWAT teams, and even Homeland Security helicopters pursued Colt around the island. Colt's crime spree infuriated and terrified many locals, while others sympathized with the barefoot young criminal-the controversy tearing at the formerly quiet community. The story gained international fame, with Time calling Colt "America's Most Wanted Teen" when he stole and crashed his third airplane. After more than two years on the run in the Northwest, Colt fled Orcas and began a spectacular cross-country trek. Friel followed the Barefoot Bandit all

the way to the Bahamas, where the chase finally ended in a hail of gunfire at 3 a.m. on a dark sea. Through his personal experiences and hundreds of interviews with witnesses, victims, local authorities, Colt's family, and, indirectly, Colt himself, Friel gives readers an exclusive look at an outlaw legend. Set against the backdrop of the Pacific Northwest's evergreen islands, where Internet millionaires coexist with survivalists and ex-hippies, this is a gripping, stranger-than-fiction tale about a neglected and troubled child who outfoxed the authorities, gained a cult following, and made the world take notice.

Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz – rich cars, poor quality. There's only one Saturn you should buy. Toyota – enough apologies: "when you mess up, 'fess up."
