Flinx in Flux Sep 09 2021 When Flinx, no stranger to galactic intrigue, found an unconscious woman on a riverbank deep in the jungles of Alaspin, he took it in stride. When he learned that the woman, Clarity Held, was a brilliant scientist abducted from a remote outpost on inhospitable Longtunnel by a group of fanatic assassins, he tried to help the beautiful Clarity back to her project. Unfortunately, the assassins were still at work. They would do anything to stop the research on Longtunnel and would kill anyone or anything that got in their way....

Flinx Transcendent Feb 14 2022 Flinx is the only one with even the tiniest chance of stopping the evil colossus barreling in to destroy the Humanx Commonwealth (and everything else in the Milky Way). With time running out, he must seek out an ancient sentient weapons platform, dodge ob

The Dig Jun 06 2021 When an asteroid out of nowhere threatens to hit Earth, a space shuttle is sent to nudge it into a safe orbit. Venturing to the surface, three crew members become trapped as the

asteroid suddenly leaves orbit, transporting them to a strange planet light years away. To find their way home, the intrepid explorers must embark on a dangerous archaeological adventure in this tale of galactic intrigue and suspense.

The Tar-aiym Krang Dec 24 2022 With two great golden clouds suspended around it, Moth was the only planet that appeared to have wings. It was a beautiful planet . . . and a trap for the unwary. Here was a wide-open world for any venture a man might scheme. The planet attracted unwary travelers, hardened space-sailors, and merchant buccaneers—a teeming, constantly shifting horde that provided a comfortable income for certain quick-witted fellows like Flinx and his pet mini-dragon, Pip. With his odd talents, the pickings were easy enough so that Flinx did not have to be dishonest . . . most of the time. In fact, it hardly seemed dishonest at all to steal a starmap from a dead body that didn't really need it anymore. But Flinx forgot one crucial point. He should have wondered why the body was dead in the first place.

Start Me Up Nov 11 2021 My wicked sense of humor has made me a local celebrity, but no one knows how much pain lies behind those jokes. Especially not the women who frequent my bed, because I never get too close. And I never let a woman see the real man, only the radio personality. Then I met her. Shelby Drake. Career-focused, goal-oriented, and completely buttoned-down, the shy accountant isn't the kind of woman I'd usually notice. But her soft mouth, hidden curves, and deep sensuality blow my mind. And after a drunken one-night stand, I'm certain I want more. Now I'm on a sensual mission. Because no matter what

it takes, I'm going to prove to Shelby that opposites really do attract. Who's Your Man of the Month? When a group of fiercely determined friends realize their beloved hang-out is in danger of closing, they take matters into their own hands to bring back customers lost to a competing bar. Fighting fire with a heat of their own, they double down with the broad shoulders, six-pack abs, and bare chests of dozens of hot, local guys who they cajole, prod, and coerce into auditioning for a Man of the Month calendar. But it's not just the fate of the bar that's at stake. Because as things heat up, each of the men meets his match in this sexy, flirty, and compelling binge-read romance series of twelve novels releasing every other week from New York Times bestselling author J. Kenner. "With each novel featuring a favorite romance trope—beauty and the beast, billionaire bad boys, friends to lovers, second chance romance, secret baby, and more—this series hits the heart and soul of romance." — New York Times bestselling author Carly Phillips Each book is a STANDALONE romance with an HEA and an overarching story about the friends and the bar. Totally hot and utterly binge-worthy! Down On Me Hold On Tight Need You Now Start Me Up Get It On In Your Eyes Turn Me On Shake It Up All Night Long In Too Deep Light My Fire Walk The Line

Strange Music Jan 21 2020 Empathic Flinx and his minidrag Pip have saved the universe more times than they can count, but the return of an old friend pulls the duo from their retirement and plunges them into a story of intrigue and imagination. The planet of Largess has recently opened itself to trade with the human-dominated Commonwealth. But when the

daughter of a powerful chieftan goes missing, authorities believe a covert agent to be the cause. They need someone to track down the princess and roust the troublemaker, and to do so without alerting the whole planet to their involvement. Can Pip and Flinx, perpetual fish out of water, save the day? Story Locale- space; the planet Largess Series Overview- Flinx (a.k.a. Phillip Linx) is an empath of unknown origin. Over several decades readers have watched Flinx traverse the length and breadth of the Commonwealth with his trusty minidrag Pip, righting wrongs and helping aliens both big and small. The duo have battled the insectoid Thranx, evil corpportations, and cybernetically-enhanced assassins, to name a few foes, but always manage to come out on top through a mix of skill, intelligence, and plain old good luck!

Bloodhype Aug 28 2020 Could even the remarkable Flinx stop the deadly drug that was sweeping the galaxy? It caused instant addiction, followed by an excruciating slow death, and there was no known antidote. It was a killer. Supposedly the drug had been totally eradicated from the humanx galaxy years before. At least that's what everyone thought. But somehow, mysteriously, that dreadful substance was back in circulation on Repler and threatening to wreak havoc throughout the known galaxy. Someone somewhere was secretly manufacturing Bloodhype, but nobody seemed to know where or who!

For Love of Mother-Not Feb 26 2023 They called him Flinx... He was just a freckle-faced, redheaded kid with green eyes and a strangely compelling stare when Mother Mastiff first saw him on the auctioneer's block. One hundred credits and he was hers. For years the old woman was his only family. She loved him, fed him, taught him everything she knew - even let him keep the deadly flying snake he called Pip. Then Mother Mastiff mysteriously disappeared and Flinx took Pip to trail her kidnappers. Across the forests and swamps of the winged world called Moth, their only weapons were Pip's venom...and Flinx's unusual Talents.

Excerpt: The Dig is a graphical adventure game developed by LucasArts and released in 1995, and a game based on an idea for an Amazing Stories episode by Steven Spielberg. It was the 11th game to use the SCUMM game engine, and is famous for its connection to Spielberg and notorious for its prolonged production that had the game

bordering on vaporware. Initially released as CD-ROM only, *The Dig* was sold for PC and Macintosh computers. It contains a full voice-over soundtrack and a digital orchestral score. For the most part, the game's graphics are hand-drawn and sparsely animated, with a mixture of pre-rendered 3D and hand-drawn animation clips also presented in certain parts of the game. It is the most serious LucasArts adventure game, containing no slapstick, and relatively little subtle humor, an element found abundantly in all other LucasArts adventure titles. It is also the only one to fit perfectly into the science fiction genre. *The Dig*...

Oshenerth Oct 18 2019 An epic fantasy that takes place entirely underwater. Best friends Chachel and Glint, a merson and a cuttlefish, are returning from a shark hunt when they stumble upon an unconscious female "emon". Taking her back to their reef community to recover, while they decide what to do with her, they wind up stumbling into a unique friendship, one which will change their lives and community for better as the reef dwellers and the demon together fight to preserve themselves and their way of life in the face of enemies and their blue magic. In this adventure under the sea, *Oshenerth: Blue Magic*, New York Times Bestselling author Alan Dean Foster (*Alien*, *Star Wars: Force Awakens*) uses his extensive knowledge and experience from diving and traveling to bring to life the mysterious world of reef dwellers under the sea in an imaginative, fascinating new epic fantasy that takes place entirely underwater.

and perilous lands on a quest to save a beautiful princess he has never met from the hands of the evil Hymneth the Possessed. Through all their travels Ehomba has ignored the warnings he has heard from seers and psychics, foretelling of disaster and death if the quest was completed. Now that Ehomba and his traveling party have finally reached the destination of their epic journey, the kingdom ruled by Hymneth, will they be able to defend themselves against Hymneth's powerful and evil magic? Will they be able to rescue the princess and bring her safely home with their lives intact?

Design for Great-Day Jul 27 2020 When a strange warship appears on a distant alien world, bearing only a single human being and his bee-like extraterrestrial companion, the powerful warlord of that world laughs at the stranger's demand--end war with an interstellar rival or face the consequences. But James Lawson, emissary from the intergalactic federation of advanced races, means every word he says.

Mid-Flinx Mar 23 2020 Flinx: born in controversy as the product of illegal genetic experiments. Flinx: raised an orphan in the streets of Drallar on the planet Moth. Flinx: the extraordinary young man with a rare flying snake for a companion, always the inadvertent center of danger and galactic intrigue. Now in his twenties, and owner of a remarkable interstellar spacecraft, he wanted nothing more than to sink into obscurity, posing as a tourist on the backwater worlds of the Commonwealth. But even here he could not escape the attention of a rich local bully who was determined to acquire the minidrag Pip for his personal zoo. Flinx wanted only to avoid

trouble, but where Flinx and Pip went, trouble followed. Flinx hoped to elude pursuit by fleeing randomly into uncharted space--seemingly the only place he would find the peace he craved. Instead, he made one of the most startling discoveries of his life: a verdant planet covered by an immense jungle, miles deep, hosting an incredible variety of plant and animal life, all of it unknown and all of it deadly. But stranger still, Flinx found humans living there, the descendants of a lost colony ship from the earliest days of human expansion into space. These people called their home Midworld, for the middle levels of the jungle treetops where they lived. Flinx would need their help to survive in this wild and wonderful place, especially when his tenacious pursuers discovered his hiding place....
