Chaise Longue Jul 01 2021 AN UNCUT BOOK OF THE YEAR AN EVENING STANDARD BEST NON-FICTION PICK A TIMES BOOK OF THE YEAR Chaos and debauchery defined Baxter Dury's turbulent childhood. Abandoned by his punk rock star dad Ian Dury in the late 80s, Baxter was left in the hands of the Sulphate Strangler: a volatile, six-foot-seven drug dealer who lived up to his name. What could possibly go wrong? In a period that we can now only imagine, a young Baxter ricocheted from one adventure to the next, narrowly swerving one disaster only to collide with another. Chaise Longue is an intimate account of those escapades, evocatively illuminating a bohemian west London populated with feverishly grubby characters. Narrated in Dury's candid tone, both sad and funny, this moving story will leave an indelible imprint on its readers. 'Wild, exhilarating and very funny' Sunday Times 'A must-read for pop culture fans' The Times 'Unflinching' Observer 'Razor sharp and side-splitting throughout, [this] is one rock autobiography not to miss' Mojo 'Amusing, alarming and subtly sad, punctuated by mind boggling anecdotes related with nuance and zest' Daily Telegraph

The Tramp and the Dog Aug 02 2021

The Hard Stuff Aug 14 2022 A ROUGH TRADE BOOK OF THE YEAR Wayne Kramer, legendary guitarist and co-founder of quintessential Detroit proto-punk legends The MC5, tells his story in The Hard Stuff. 'As gripping as it is sobering.' THE TIMES 'Voyerustically dramatic.' NEW YORK TIMES 'Eye-opening.' GUARDIAN 'One of rock's most engaging and readable memoirs.' ROLLING STONE 'Inspiring and redemptive.' UNCUT 'An endearing read.' MOJO Led by legendary guitarist Wayne Kramer, The MC5 was a reflection of the times: exciting, sexy, violent, out of control - assuring their time in the spotlight would be short-lived. Kramer's story is a revolutionary one, but it is also the deeply personal struggle of an addict and an artist. From the glory days of Detroit to the junk-sick streets of the East Village, from Key West to Nashville and sunny Los Angeles, in and out of prison and on and off of drugs, his is the classic journeyman narrative, but with a twist: he's here to remind us that revolution is always an option.

Go Now Dec 18 2022 On the road with the Blank Generation, "Go Now" takes readers on a wild trip across the country and into the head of a down-on-his-luck punk musician. "'Go Now" is a vile, scabrous, unforgivable, and deserving of the widest possible audience."--William Gibson.

The Tramp in America Dec 06 2021 This book provides the first account of the invention of the tramp as a social type in the United States between the 1870s and the 1930s. Tim Cresswell considers the ways in which the tramp was imagined and described and how, by World War II, it was being reclassified and rendered invisible. He describes the "tramp scare" of the late nineteenth century and explores the assumption that tramps were invariably male and therefore a threat to women. Cresswell also examines tramps as comic figures and looks at the work of prominent American photographers which signaled a sympathetic portrayal of this often-despised group. Perhaps most significantly, The Tramp in America calls into question the common assumption that mobility played a central role in the production of American identity. "This is an effective, and sometimes touching, account of how a social phenomenon was created, classified and reclassified. The quality of the writing, the excellent illustrations and the high production standards give this reasonably-priced hardback a chance of appealing to a general audience . . . an important contribution to American studies, providing new perspectives on the significance of mobility and rootlessness at an important time in the development of the nation. Cresswell successfully illuminates the history of a disadvantaged and marginal group, while providing a lens by which to focus on the thinking and practices of the mainstream culture with which they dealt. As such, this book represents a considerable achievement."—Cultural Geographies "An important book. Cresswell has made an important contribution to a homelessness literature still lacking a more sophisticated theoretical edge. Clearly written, beautifully illustrated and with a strong argument throughout, the book deserves to be widely read by students and practitioners alike."—Progress in Human Geography

Unstrung Oct 24 2020 Iconoclastic guitar player Marc Ribot offers up essays and stories in this darkly funny and subversive debut collection. Throughout his genre-defying career as one of the most innovative musicians of our time, iconoclastic guitar player Marc Ribot has consistently defied expectation at every turn. Here, in his first collection of writing, we see that same uncompromising sensibility at work as he playfully interrogates our assumptions about music, life, and death. Through essays, short stories, and the occasional unfilmable film "mistreatment" that showcase the sheer range of his voice, Unstrung captures an artist whose versatility on the page rivals his dexterity onstage. In the first section of the book, "Lies and Distortion," Ribot turns his attention to his instrument—"my relation to the guitar is one of struggle; I'm constantly forcing it to be something else"—and reflects on his influences (and friends) like Robert Quine (the Voidoids) and producer Hal Willner (Saturday Night Live), while delivering an impassioned plea on behalf of artists' rights. Elsewhere, we glimpse fragments of Ribot's life as a traveling musician—he captures both the monotony of touring as well as small moments of beauty and despair on the road. In the heart of the collection, "Sorry, We're Experiencing Technical Difficulties," Ribot offers wickedly humorous short stories that synthesize the best elements of the Russian absurdist tradition with the imaginative heft of George Saunders. Taken together, these stories and essays cement Ribot's position as one of the most dynamic and creative voices of our time.

The Autobiography of a Super-Tramp Jul 13 2022 What is this life if, full of care, we have no time to stand and stare? (LEISURE BY W.H. DAVIES) Loneliness and criminality determined William Henry Davies' childhood and teenage-years. At the age of 22 he decided to leave Wales for America to chance his luck abroad. But getting there was not as easy as expected. At that point in time, he became a tramp. In his best-known work THE AUTOBIOGRAPHY OF A SUPER-TRAMP, Davies tells the story of his lifetime. He explains in a very intimate and touching way what it is like to grow up in Great Britain at the end of the 19th century. Furthermore, he describes how he felt during his vagabond life and what made him settle back in the UK. After all, Davies develops into the most popular poet of his time.

Hot and Cold Jun 12 2022

The Seven Necessary Sins for Women and Girls Apr 10 2022 A bold and uncompromising feminist manifesto that shows women and girls how to defy, disrupt, and destroy the patriarchy by embracing the qualities they've been trained to avoid. Seizing upon the energy of the #MeToo movement, feminist activist Mona Eltahawy advocates a muscular, out-loud approach to teaching women and girls to harness their power through what she calls the "seven necessary sins" that women and girls are not supposed to commit: to be angry, ambitious, profane, violent, attention-seeking, lustful, and powerful. All the necessary "sins" that women and girls require to erupt. Eltahawy knows that the patriarchy is alive and well, and she is fed the hell up: Sexually assaulted during hajj at the age of fifteen. Groped on the dance floor of a night club in Montreal at fifty. Countless other injustices in the years between. Illuminating her call to action are stories of activists and ordinary women around the world—from South Africa to China, Nigeria to India, Bosnia to Egypt—who are tapping into their inner fury and crossing the lines of race, class, faith, and gender that make it so hard for marginalized women to be heard. Rather than teaching women and girls to survive the poisonous system they have found themselves in, Eltahawy arms them to dismantle it. Brilliant, bold, and energetic, The Seven Necessary Sins for Women and Girls is a manifesto for all feminists in the fight against patriarchy.

Down and Out in Paris and London Dec 14 2019 A plongeur is a slave, and a wasted slave, doing stupid and largely unnecessary work. He is kept at work, ultimately, because of a vague feeling that he would be dangerous if he had leisure. And educated people, who should be on his side, acquiesce in the process, because they know nothing about him and consequently are afraid of him." "It is worth saying something about the social position of beggars, for when one has consorted with them, and found that they are ordinary human beings, one cannot help being struck by the curious attitude that society takes towards them. People seem to feel that there is some essential difference between beggars and ordinary 'working' men. They are a race apart--outcasts, like criminals and prostitutes. Working men 'work', beggars do not 'work'; they are parasites, worthless in their very nature. It is taken for granted that a beggar does not 'earn' his living, as a bricklayer or a literary critic 'earns' his. He is a mere social excrescence, tolerated because we live in a humane age, but essentially despicable

Alone and Not Alone Jan 15 2020 Following Pulitzer Prize finalist Ron Padgett's 2013's Collected Poems (winner of the Los Angeles Times Book Prize and the William Carlos Williams Prize) Alone and Not Alone offers new poems that see the world in a clear and generous light. From "The World of Us": Don't go around all day thinking about life— doing so will raise a barrier between you and its instants. You need those instants so you can be in them, and I need you to be in them with me for I think the world of us and the mysterious barricades that make it possible.

Twentieth-Century Boy Jun 19 2020 A rollicking account of a celebrated artist's coming of age, full of outrageously bad behavior, naked ambition, fantastically good music, and evaporating barriers of taste and decorum, and featuring cameos from David Bowie, Andy Warhol, Patti Smith, and many more. "A phantasmagoria of alcohol, sex, art, conversation, glam rock, and New Wave cinema. Hannah's writing combines self-aware humor with an intoxicating punk energy." —The New Yorker Painter Duncan Hannah arrived in New York City from Minneapolis in the early 1970s as an art student hungry for experience, game for almost anything, and with a prodigious taste for drugs, girls, alcohol, movies, rock and roll, books, parties, and everything else the city had to offer. Taken directly from the notebooks Hannah kept throughout the decade, *Twentieth-Century Boy* is a fascinating, sometimes lurid, and incredibly entertaining report from a now almost mythical time and place.

Algorithms Jul 21 2020

A Tramp Abroad Nov 05 2021 Successor to Twain's first collection of travel memoirs takes a second look at Europe. In "A Tramp Abroad," Twain's abundant humor waxes as freely as ever; this time, however, his amusement bears a more cynical cast, as he regards the grand tourist sights of Innocents through his now older and more experienced eyes.

Lady and the Tramp (Disney Lady and the Tramp) Mar 17 2020 What do you get when you combine a dog from the wrong side of the tracks with a pampered pooch? Disney's *Lady and the Tramp* is truly one of the most beloved animated films of all time! New and old fans of the movie will love the full-color Little Golden Book retelling of this delightful doggie tale.

Too Much Too Soon Sep 22 2020 *Too Much Too Soon* is the definitive story of the most outrageous glam rock bands of them all—The New York Dolls. The Dolls, peddling trans-gender posturing and incendiary rock 'n' roll, were dumped by the record business after making just two albums. But their influence lived on when Malcolm McLaren injected the last of the Dolls' life blood into The Sex Pistols and changed pop forever. From punk to grunge, practically every new sensation in the contemporary rock scene has been a delayed reaction to the New York Dolls. *Too Much Too Soon* celebrates all the glorious sleaze and excess of the Dolls' brief auto-destruct career through interviews with the survivors, including band members, managers, roadies, groupies and hangers-on.

The Jungle Sep 03 2021 A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

Faithful May 31 2021 From pop stardom through the depths of addiction to her punk-rock comeback, Marianne Faithfull's life captures rock 'n' roll at its most decadent and its most destructive. Faithfull's first hit, 1964's "As Tears Go By," opened doors to the hippest circles in London. There she frolicked with the most luminous of the young, rich, and reckless, including Bob Dylan, the Beatles, and the Rolling Stones. Her legendary affair with Mick Jagger produced one hit single, "Sister Morphine," and countless headlines. Faithfull left the relationship a strung-out junkie. Struggling to kick drugs and revive her musical career, she recorded *Broken English* in 1979, an edgy, hard-hitting, critical triumph. As honest in her autobiography as in her music, Faithfull is a searing, intimate portrait of a woman who examines her adventures and misadventures without flinching, without apology.

Into the Wild Dec 26 2020 With an introduction by novelist David Vann In April 1992, Chris McCandless set off alone into the Alaskan wild. He had given his savings to charity, abandoned his car and his possessions, and burnt the money in his wallet, determined to live a life of independence. Just four months later, Chris was found dead. An SOS note was taped to his makeshift home, an abandoned bus. In piecing together the final travels of this extraordinary young man's life, Jon Krakauer writes about the heart of the wilderness, its terribly beauty and its relentless harshness. *Into the Wild* is a modern classic of travel writing, and a riveting exploration of what drives some of us to risk more than we can afford to lose.

The Gentle Art of Tramping Jan 27 2021 'An absolute gem of a book' Alastair Humphreys First published in 1926, *The Gentle Art of Tramping* is as relevant now as then. Tramping is an approach: to nature, to humankind, to nations, to beauty, to life itself. This lost classic is a breath of fresh air for world-weary souls. It is a gentle art; know how to tramp and you know how to live. Know how to meet your fellow wanderer, how to be passive to the beauty of nature and how to be active to its wildness and its rigour. The adventure is not the getting there, it's the 'on-the-way'. It is not the expected, it is the surprise.

Tramp Royale Jan 07 2022 The author recounts his travels around the world, detailing his experiences in places ranging from New Orleans to the Panama Canal to the African veldt

Chaplin May 11 2022 No Marketing Blurp

The Lady and the Gent Nov 12 2019 A woman of great fortune... A man of great mystery...

Can I Say Aug 22 2020 Travis Barker's soul-baring memoir chronicles the highlights and lowlights of the renowned drummer's art and his life, including the harrowing plane crash that nearly killed him and his traumatic road to recovery—a fascinating never-before-told-in-full story of personal reinvention grounded in musical salvation and fatherhood. After breaking out as the acclaimed drummer of the multiplatinum punk band Blink-182, everything changed for Travis Barker. But the dark side of rock stardom took its toll: his marriage, chronicled for an MTV reality show, fell apart. Constant touring concealed a serious drug addiction. A reckoning did not truly come until he was forced to face mortality: His life nearly ended in a horrifying plane crash, and then his close friend, collaborator, and fellow crash survivor DJ AM died of an overdose. In this blunt, driving memoir, Barker ruminates on rock stardom, fatherhood, death, loss, and redemption, sharing stories shaped by decades' worth of hard-earned insights. His pulsating memoir is as energetic as his acclaimed beats. It brings to a close the first chapters of a well-lived life, inspiring readers to follow the rhythms of their own hearts and find meaning in their lives.

I Dreamed I Was a Very Clean Tramp Feb 20 2023 The sharp, lyrical, and no-holds-barred autobiography of the iconoclastic writer and musician Richard Hell, charting the childhood, coming of age, and misadventures of an artist in an indelible era of rock and roll... From an early age, Richard Hell dreamed of running away. His father died when he was seven, and at seventeen he left his mother and sister behind and headed for New York City, place of limitless possibilities. He arrived penniless with the idea of becoming a poet; ten years later he was a pivotal voice of the age of punk, starting such seminal bands as Television, the Heartbreakers, and Richard Hell and the Voidoids—whose song "Blank Generation" remains the defining anthem of the era. Hell was significantly responsible for creating CBGB as punk ground zero; his Voidoids toured notoriously with the Clash, and Malcolm McLaren would credit Hell as inspiration for the Sex Pistols. There were kinetic nights in New York's club demi-monde, descent into drug addiction, and an ever-present yearning for redemption through poetry, music, and art. "We lived in the suburbs in America in the fifties," Hell writes. "My roots are shallow. I'm a little jealous of people with strong ethnic and cultural roots. Lucky Martin Scorsese or Art Spiegelman or Dave Chappelle. I came from Hopalong Cassidy and Bugs Bunny and first grade at ordinary Maxwell Elementary." How this legendary downtown artist went from a prosaic childhood in the idyllic Kentucky foothills to igniting a movement that would take over New York's and London's restless youth cultures—and spawn the careers of not only Hell himself, but a cohort of friends such as Tom Verlaine, Patti Smith, the Ramones, and Debbie Harry—is just part of the fascinating story Hell tells. With stunning powers of observation, he delves into the details of both the world that shaped him and the world he shaped. An acutely rendered, unforgettable coming-of-age story, *I Dreamed I Was a Very Clean Tramp* evokes with feeling, clarity, and piercing intelligence that classic journey: the life of one who comes from the hinterlands into the city in search of art and passion.

Waging Heavy Peace Oct 12 2019 Neil Young is a singular figure in the history of rock and pop culture generally in the last four decades. Reflective, insightful, and disarmingly honest, in *Waging Heavy Peace* he writes about his life and career. From his youth in Canada to his first band's travels across the US seeking fame and girls, through Buffalo Springfield and Crosby, Stills & Nash, to his massively successful solo career and his re-emergence as the patron saint of grunge on to his role today as one of the last uncompromised and uncompromising survivors of rock 'n' roll - this is Neil's story told in his own words. In the book Young presents a kaleidoscopic view of personal life and musical creativity; it's a journey that spans the snows of Ontario to the LSD-laden boulevards of 1966 Los Angeles to the contemplative paradise of Hawaii today. 'I think I will have to use my time wisely and keep my thoughts straight if I am to succeed and deliver the cargo I so carefully have carried thus far to the outer reaches. Not that it's my only job or task. I have others, too. Sacred things that I need to protect from pain and hardship, like careless remarks on an open mind.' Neil Young from *Waging Heavy Peace*

There's No Bones in Ice Cream: Sylvain Sylvain's Story of the New York Dolls Oct 16 2022 *There's No Bones in Ice Cream*, by Sylvain Sylvain, is the inside story of glam heroes the New York Dolls – outrageous, defiant, sleaze kings, transgender posers, drug casualties and victims, not just of their own excess but of an unsympathetic music industry that simply didn't know how to process them. Sylvain, one of only two surviving members of the original New York Dolls, offers a fly-on-the-wall, sincere and often hilarious account of the rise and fall of the Dolls, the group that flew so close to the sun that they exploded in a fireball that lit the touch paper under punk rock. Though their brief, sensation-filled yet doomed career produced just two albums, the Dolls exerted an influence on rock that changed it forever. A cross between the Rolling Stones and the Sex Pistols, the Dolls became the link in the chain between them, offering a crash course in mischief, cross-dressing and anarchy, but like unheralded prophets of Biblical times they were cast aside until the world finally caught up. "Other people turned the New York Dolls into legends. We just went along for the ride."

I Dreamed I Was a Very Clean Tramp Jan 19 2023 From an early age, Richard Hell dreamed of running away. He arrived penniless in New York City at seventeen; ten years later he was a pivotal voice of the age of punk, cofounding such seminal bands as Television, The Heartbreakers, and Richard Hell and the Voidoids—whose song "Blank Generation" remains the defining anthem of the era, an era that would forever alter popular culture in all its forms. How this legendary downtown artist went from a bucolic childhood in the idyllic Kentucky foothills to igniting a movement that would take over New York and London's restless youth culture—cementing CBGB as the ground zero of punk and spawning the careers of not only Hell himself, but a cohort of

friends such as Tom Verlaine, Patti Smith, the Ramones, and Debby Harry—is a mesmerizing chronicle of self-invention, and of Hell's yearning for redemption through poetry, music, and art. An acutely rendered, unforgettable coming-of-age story, *I Dreamed I Was a Very Clean Tramp* evokes with feeling, lyricism, and piercing intelligence both the world that shaped him and the world he shaped.

A Ghost in the Throat Nov 24 2020

The Way of the World May 19 2020 In 1953, twenty-four-year old Nicolas Bouvier and his artist friend Thierry Vernet set out to make their way overland from their native Geneva to the Khyber Pass. They had a rattletrap Fiat and a little money, but above all they were equipped with the certainty that by hook or by crook they would reach their destination, and that there would be unanticipated adventures, curious companionship, and sudden illumination along the way. *The Way of the World*, which Bouvier fashioned over the course of many years from his journals, is an entrancing story of adventure, an extraordinary work of art, and a voyage of self-discovery on the order of Robert M. Pirsig's *Zen and the Art of Motorcycle Maintenance*. As Bouvier writes, "You think you are making a trip, but soon it is making—or unmaking—you."

Iggy Pop: Open Up And Bleed Apr 29 2021 'For those who like their rock biogs thick with tales of heroic over-indulgence, OPEN UP AND BLEED is hard to beat' - Irish Evening Herald Iggy Pop's life has been one of extraordinary highs and terrifying lows. Infamous for his wild ways, he is also a towering figure of the rock scene - hugely influential, charismatic and provocative. Every 'mad, bad, dangerous to know' rock star owes a debt to him, and the stories of his shocking behaviour are legendary. But Iggy Pop is also, to a large extent, a construct, the alter ego of the quietly spoken and intriguing Jim Osterberg: the kid voted 'Most Likely to Succeed' by his classmates. So what turned this charming, well-mannered, straight-A student into a poster child for rock 'n' roll debauchery? Iggy Pop: Open up and Bleed reveals the truth behind the myths. Former MOJO editor Paul Trynka tracked down the star's friends, family, lovers and fellow musicians, conducting over two hundred and fifty interviews, unearthing countless new stories about Iggy's rollercoaster life, his music and his often misunderstood friendship with David Bowie. From this impeccable research he creates a fascinating portrait of a man at war with the world and with himself. The book also features dozens of never-before seen photos.

Chaplin and Agee Feb 25 2021 Chaplin and Agee charts the friendship between James Agee, author of *Let Us Now Praise Famous Men* and Pulitzer Prize-winning *A Death in the Family* and screenwriter for American classics including *The African Queen*, and Charlie Chaplin, who starred in a staggering number of films from 1914 to 1967. This friendship emerged in the midst of the tumult of the 1940s and 1950s, with the atomic bombings of Hiroshima and Nagasaki, McCarthyism and blacklisting. In print here for the first time is Agee's first screenplay, *The Tramp's New World*, lost until recently. The striking screenplay—a comedy "so dark it was without precedent"—was written for Chaplin's tramp character and set in post-apocalyptic New York. Chaplin and Agee also features many previously unpublished letters and photographs. As the story moves from Hollywood to Greenwich Village, these two figures come to life, revealing the untold story of the great bond between two influential twentieth-century artists.

Massive Pissed Love Nov 17 2022 Richard Hell may best be known as a punk icon, a founding member of seminal bands Television, the Heartbreakers, and The Voidoids, but for decades he's been a prominent voice in American letters. Through his novels *Go Now* and *Godlike*, and his critically acclaimed autobiography, *I Dreamed I Was a Very Clean Tramp*, Hell has proven himself as a talented and insightful writer across many genres, in many forms. But one might argue that Richard's true genius lies in shorter form as a writer on culture. "Love comes in spurts," Hell once sang, and that could well describe the intensity of his penetrating and wickedly droll criticism. *Massive Pissed Love* is a collection of Hell's ruminations on art, literature, and music, among other things, that's like a candy box of reading treats, a bag of shiny marbles, a cabinet of mementos and uncanny fetishes. However one thinks of it, it's a joy to read from start to finish and a deeply necessary addition to the oeuvre of one of the sharpest minds and sensibilities at work today.

The Tall Tale of Tommy Twice Feb 08 2022 Fiction. When Tommy's parents abandon him as a baby, his grandmother Gaga takes him to her reclusive house at the top of Pike's Peak. Gaga's parenting methods are extreme, but Tommy soon learns her eccentricities are nothing compared to the rest of his family. As he's passed between his outlandish aunts, Tommy's journey takes him to the country homestead of Aunt Tess (who hides surprising objects in her voluminous hair), the four city houses of Aunt Penny (who prefers to communicate by ESP), and the cave-like desert home of Aunt Chelsea the coyote hunter. As his cross-country romp reveals how bizarrely different families can be, Tommy begins to wonder if the conventional home he's dreamed of might not be for him after all. *THE TALL TALE OF TOMMY TWICE* captures the unmoored feelings of young adulthood and the complexities of American identity. It's a dazzling novel about the ineffability of childhood and the nature of family and relationships in the increasingly rootless American experience.

To Hell and Back Apr 17 2020 There have been many books written about Johnny Thunders and the Heartbreakers, but only by people who weren't there. Walter Lure was—from the band's chaotic beginnings on New York's Lower East Side, through a now-legendary UK tour with the Sex Pistols and the Clash, and on to a yearlong stay in London—eyewitness and midwife to the birth of UK punk. Now, he tells his story in *To Hell and Back*, a thrilling ride through the clubs and dives of two continents, in the company of one of the most notorious junkies in rock 'n' roll history. Drawing from his own contemporary journals, Lure paints a vivid portrait of life in both cities, during perhaps the most crucial musical uprising of the past forty years...the music, the characters, the clothes, the fights, the drugs, the orgies, the lot. Lure lays bare his own battle with drugs, and reflects upon his life after the band's split—rising to become a Wall Street fixture yet still finding time to make music.

Chelsea Horror Hotel Oct 04 2021 Dee Dee Ramone doesn't quite know what he's getting himself into when he and his wife Barbara move into the squalid Chelsea Hotel with their dog Banfield. He spends most of his time trying to score drugs and walking Banfield, with whom he can magically communicate. Meanwhile, he can't stand his neighbors and shies away from violence, but wishes everyone were six feet under. He also thinks that the room he's staying in is the very room where his old friend Sid Vicious stabbed Nancy Spungen, and begins having nightmares of Nancy emerging from the bathroom with a knife wound. After one of his nightmares, an evil force enters his hotel room and hurls him against a wall. Dee Dee also gets involved with the transvestite lover of one of his gay fellow addicts. When his wife finds out, the two fight it out and become seriously wounded. During all this, Dee Dee is tormented by the living and dead demons that plague the hotel, along with the ghosts of his old dead punk rock friends Sid Vicious, Johnny Thunders and Stiv Bators. And that's when the Devil himself decides to join the party . . .

Godlike Sep 15 2022 *Godlike*, Richard Hell's second novel, combines the grit, wit, and invention of *Go Now* with the charged lyricism and emotional implosiveness of his music. *Godlike* is a heartwrenching tale of one whose values in life are the values of poetry. Set largely in the early '70s, but structured as a middle-aged poet's 1997 notebooks and drafts for a memoir-novel, the book recounts the story of a young man's affair with a remarkable teenage poet.

Disney Lady and the Tramp Mar 29 2021 Lady's pampered life, living on Park Avenue is turned upside down when the shy golden spaniel, falls in love with Tramp, a fun-loving mutt with a charming bark and an appetite for adventure, that lives on the wrong side of town.

Minor Monuments Feb 14 2020

Lady and the Tramp (Disney Lady and the Tramp) Mar 09 2022 What do you get when you combine a dog from the wrong side of the tracks with a pampered pooch? Disney's *Lady and the Tramp* is truly one of the most beloved animated films of all time! New and old fans of the movie will love the full-color Little Golden Book retelling of this delightful doggie tale.
