Proceedings of the International Symposium on the Socio-Economic Impact of Modern Vegetable Production

Technology in Tropical Asia Nov 24 2020 " ... This study sought to assess the contribution that the vegetable industry makes to smallholder farmers' income, to reduce rural poverty and to improve accessibility to high quality nutritional vegetables. The study highlighted the potential for the further expansion of vegetable production in tropical Asia, identifying

the required strategy and policy framework to support its development, and the role of the public and private sector, including public-private partnerships."--Page 6.
