The Winter Sister Aug 20 2022 A “haunting debut: suspenseful, atmospheric, and completely riveting” (Megan Miranda, New York Times bestselling author of All the Missing Girls) about a young woman who returns home to care for her ailing mother and begins to dig deeper into her sister’s unsolved murder. Sixteen years ago, Sylvie’s sister, Persephone, never came home. Out late with the boyfriend she was forbidden to see, Persephone was missing for three days before her body was found—and years later, her murder is still unsolved. In the present day, Sylvie returns home to care for her estranged mother, Annie, as she undergoes treatment for cancer. Prone to unexplained “Dark Days” even before Persephone’s death, Annie’s once-close bond with Sylvie dissolved in the weeks after their loss, making for an uncomfortable reunion all these years later. Adding to the discomfort, Persephone’s former boyfriend is now a nurse at the cancer center where Annie is being treated. Sylvie has always believed Ben was responsible for the murder—but she carries her own guilt about that night, guilt that traps her in the past while the world goes on around her. As she navigates the complicated relationship with her mother, Sylvie begins to uncover the secrets that fill their house—and what really happened the night Persephone died. *The Winter Sister* is a “bewitching” (Kirkus Reviews) portrayal of the complex bond between sisters, between mothers and daughters alike, and “will captivate you from suspenseful start to surprising finish” (Kathleen Barber, author of Are You Sleeping).

The Love Prison Made and Unmade Feb 14 2022 A Notable Memoir by the New York Times Medium’s Books to Help You Transition Into 2020 With echoes of Just Mercy and An American Marriage, a remarkable memoir of a woman who falls in love with an incarcerated man—a poignant story of hope and disappointment that lays bare the toll prison takes not only on those behind bars, but on their families and relationships. Ebony’s parents were high school sweethearts and married young. By the time Ebony was born, the marriage was disintegrating. As a little girl she witnessed her parents’ brutal verbal and physical fights, fueled by her father’s alcoholism. Then her father tried to kill her mother. Those experiences drastically affected the way Ebony viewed love and set the pattern for her future romantic relationships. Despite being an educated and strong-minded woman determined not to repeat the mistakes of her parents—she would have a fairytale love—Ebony found herself drawn to bad-boys: men who cheated; men who verbally abused her; men who disappointed her. Fed up, she swore to wait for the partner God chose for her. Then she met Shaka Senghor. Though she felt an intense spiritual connection, Ebony struggled with the idea that this man behind bars for murder could be the good love God had for her. Through letters

and visits, she and Shaka fell deeply in love. Once Shaka came home, Ebony thought the worst was behind them. But Shaka’s release was the beginning of the end. *The Love Prison Made and Unmade* is heartfelt. It reveals powerful lessons about love, sacrifice, courage, and forgiveness; of living your highest principles and learning not to judge someone by their worst acts. Ultimately, it is a stark reminder of the emotional cost of American justice on human lives—the partners, wives, children, and friends—beyond the prison walls.

Raiders Invisible Jun 25 2020 Alone and unaided, Pilot Travers copes with the invisible foes who have struck down America's great engine of war. ExcerptThe war game around the Canal was planned for more than practice, however. The eyes of the whole world were on that array of America's ocean might--the eyes of one foreign nation in particular. Washington knew of the policies of that nation, and wished to impress upon is the hopelessness of them. More than a game, this concentration of sea and air-borne fighting power was a gesture for the continued peace of the world--a gesture strong with the hint of steel.Chris Travers was vaguely aware, through the rumors of the mess-room, of the double meaning of the game he was playing his part in, but this morning he didn't give a single thought. He was too wrapped up in his job of spotting the van of the Black Fleet, radio-telephoning latitude and longitude to the bridge of the Blue Fleet

flagship, and getting home to his dirigible without being declared destroyed by one of the war game umpires.Therefore, half an hour later, his heart thrilled as he glimpsed, wraith-like on the steely horizon, a wisp of smoke.

Midnight Apr 04 2021 New York Times bestselling author Life After Death, the hip-hop generation's beloved and most compelling storyteller, delivers a powerful story about love and loyalty, strength and family. In her bestselling novel, *The Coldest Winter Ever*, Sister Souljah introduced the world to Midnight, a brave but humble lieutenant to a prominent underworld businessman. Now, in a highly anticipated follow-up to her million-selling masterpiece, she brings readers into the life and dangerously close to the heart of this silent, fearless young man. Raised in a wealthy, influential, Islamic African family, Midnight enjoys a life of comfort, confidence, and protection. Midnight's father provides him with a veil of privilege and deep, devoted love, but he never hides the truth about the fierce challenges of the world outside of his estate. So when Midnight's father's empire is attacked, he sends Midnight with his mother to the United States. In the streets of Brooklyn, a young Midnight uses his Islamic mind-set and African intelligence to protect the ones he loves, build a business, reclaim his wealth and status, and remain true to his beliefs. Midnight, a handsome and passionate young man, attracts many women. How he interacts and deals with them is a unique adventure. This is a highly sensual and tremendous love story about what a man is willing to risk and give to the women he loves most. Midnight will remain in your mind and beat in your heart for a lifetime. Her "raw and true voice" (Publishers Weekly) will both soothe and arouse you. In a beautifully written and masterfully woven story, Sister Souljah has given us Midnight, and solidified her presence as the mother of all contemporary urban literature.

No Disrespect Oct 22 2022 From the #1 New York Times bestselling author, rapper, and activist—Sister Souljah uses her passionate voice to deliver what is at once a fiercely candid autobiography and a survival manual for any Black woman determined to keep her heart open and her integrity intact in modern America. Each chapter of *No Disrespect* is devoted to someone who made a difference in Sister Souljah's life—from the mother who raised her to the men who educated (and mis-educated) her about love—and each bares a controversial truth about the Black condition in America: the disintegration of families; the unremitting combat between the sexes; and the thousand and one ways in which racism continues to circumscribe how Black people see themselves and treat one another. The result is an outspoken and often courageous rejoinder to the pieties of race, class, and gender by a writer who is at once wise, bawdy, brutally funny, and as sensitive a lightning rod in a thunderstorm.

The Myth and Propaganda of Black Buying Power Sep 09 2021 This Palgrave Pivot offers a history of and proof against claims of "buying power" and the impact this myth has had on understanding media, race, class and economics in the United States. For generations Black people have been told they have what is now said to be more than one trillion dollars of "buying power," and this book argues that commentators have misused this claim largely to blame Black communities for their own poverty based on squandered economic opportunity. This book exposes the claim as both a marketing strategy and myth, while also showing how that myth functions simultaneously as a case study for propaganda and commercial media coverage of economics. In sum, while "buying power" is indeed an economic and marketing phrase applied to any number of racial, ethnic, religious, gender, age or group of consumers, it has a specific application to Black America.

The Catcher in the Rye Jun 06 2021 'If you really want to hear about it, the first thing you'll probably want to know is where I was born and what my lousy childhood was like, and how my parents were occupied and all before they had me, and all that David Copperfield kind of crap, but I don't feel like going into it, if you want to know the truth.' The first of J. D. Salinger's four books to be published, *The Catcher in the Rye* is one of the most widely read and beloved of all contemporary American novels. 'The handbook of the adolescent heart' *The New Yorker*

Wuthering Heights Apr 16 2022 *Wuthering Heights* is the name of Mr. Heathcliff's dwelling. 'Wuthering' being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500, and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy

entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here 'the house' pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing

puppies; and other dogs haunted other recesses.

Winter Garden Jan 21 2020 From the Number One bestselling author of *The Four Winds* and *The Nightingale*. Kristin Hannah's *Winter Garden* is a haunting and compelling novel illuminating the intricacy of mother-daughter bonds and the enduring links between past and present. 'A tearjerker . . . a journey as lovely and haunting as a snow filled winter's night' - People Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her family and manage the family apple orchard; the other followed a dream and travelled the world to become a famous photojournalist. But these two estranged women come together at their father's deathbed standing alongside their cold, disapproving mother, Anya, to hear the one last promise he extracts from the women in his life. It begins with a story like no other. A captivating, mysterious love story that spans sixty-five years and moves from war torn Leningrad in the 1940's to modern-day Alaska. The three women are brought together by a story so unexpected and extraordinary that when Meredith and Nina finally learn the secret of their mother's past and uncover a truth so terrible, it will shake the very foundation of the family and who they think they are.
