Henry Tsien never expected the briefcase he purchased to change his life forever. The avid gamer is given an opportunity to make his dreams come true by a trapped jinn, and it only required a single wish. Gifted the ability to cast magic and the innate knowledge real Magicians have to study to earn, Henry must make do with his new chance at life. Starting out as a Level 1 Mage with a status screen only he can see, Henry must learn the hidden secrets and histories of the supernatural world. All the while, he'll have to deal with aggressive

supernatural groups who want the jinn's ring, learn how to fight back against monsters, level up his magic and pay his rent. A Gamer's Wish is a GameLit novel with some game-like elements, magic galore, a helpful genie and shadowy supernatural organisations. No romance or harems involved. Discover this spellbinding debut from S.A. Chakraborty. 'An extravagant feast of a book - spicy and bloody, dizzyingly magical, and still, somehow, utterly believable' Laini Taylor, Sunday Times and New York Times bestselling author
BEING A
TEENAGER IS
HARD ENOUGH

WITHOUT ALSO TRAINING TO BE A JEDI.... Obi-Wan Kenobi has not been apprenticed long to Qui-Gon Jinn, and he is chafing at Qui-Gon's training style: all meditation, no action. Obi-Wan yearns to prove himself on a mission, but when he and Qui-Gon are finally set to leave on an assignment, Qui-Gon is nowhere to be found. Angered by his master's abandonment, Obi-Wan sets out on the mission alone, determined to prove himself. On a mysterious planet he encounters a pack of feral, Force-wielding teens who seem to be the planet's only inhabitants. As he experiences wild

freedom with them and wonders if this isn't the life he was meant for, Obi-Wan can't escape the nagging sense that something is wrong with the Force there. Romantic complications, startling revelations, and a looming threat to both the planet and his new friends will bring Obi-Wan face-to-face with his worst fear: that maybe he was never supposed to be a Jedi at all. Can he connect with the living Force in time to save himself and everyone around him? It's the star of the Obi-Wan Kenobi Disney+ limited series as you've never seen him before.... With troops fighting in regions populated by Muslims from

the Sahara to the Caucasus, Nazi officials saw Islam as a powerful force with the same enemies as Germany: the British Empire, the Soviet Union, and the Jews. David Motadel provides the first comprehensive account of Berlin's ambitious attempts to build an alliance with the Islamic world. I wrote this book as a book of meaning upon meaning of a soul that is lost yet found. I mean how can I win yet lose what is my insane if it is induced to my methods of life. I am not in nor out, not seen nor heard and if my end had a beginning were did I end? To trace life throw death to collect time as

found in sand to count each grain as years, upon stars. The light that opens, the dark and pushes me to act as if time were my ally. Where worlds collide, myths and legends are real. On Earth eight powerful Genies and their lamps where hidden from an evil prince. Join the world wide search for them as humans take on the role of Master. In Dangerous, you meet the first of the Genies and his Master. What would you do with your Genie? ""Speak the words that will grant your heart's desire. I wish... and I shall grant it."" Jennifer wasn't sure if the man dressed like a museum piece was crazy or just totally stupid.

No one in their right mind would believe he's a Genie. Especially with his supreme hotness. Did Genie's go to the gym, or where they made like that? Well for one, he certainly didn't look like a Genie. Not that she had ever met any to cross reference him by. And two.... After she stopped drooling, she'd think up two. War looms on the horizon as the Jinns, Curseworks and Wishworks prepare for battle. In Jinn territory, Abdul Cadabra and his lamp of 1000 Nightmares grows stronger each day. At Curseworks, Penelope and Preztoe, the half-jinn, are desperately

planning an escape from the deepest dungeons. At Wishworks, after successfully finding three of the famed Wishworks weapons, Ben and his friends are on a treacherous journey to find the fourth and final weapon from deep within Jinn territory. Knowing they cannot be caught, Candlewick enlists the help of an elite force, the Thaumaturgic Cartographers. Now, Ben and his friends must navigate the ancient magical paths of the wishing world before it's too late! "Lush, romantic, and exquisitely written . . . a rare, glittering jewel of a novel."—Sarah J. Maas, author of the

New York Times bestselling Throne of Glass series "This is Aladdin like you've never imagined."—Renée Ahdieh, author of The Wrath and the Dawn She is the most powerful Jinni of all. He is a boy from the streets. Their love will shake the world. . . . When Aladdin discovers Zahra's jinni lamp, Zahra is thrust back into a world she hasn't seen in hundreds of years—a world where magic is forbidden and Zahra's very existence is illegal. She must disguise herself to stay alive, using ancient shape-shifting magic, until her new master has selected his three wishes. But when the King of the Jinn

offers Zahra a chance to be free of her lamp forever, she seizes the opportunity—only to discover she is falling in love with Aladdin. When saving herself means betraying him, Zahra must decide once and for all: is winning her freedom worth losing her heart? As time unravels and her enemies close in, Zahra finds herself suspended between danger and desire in this dazzling retelling of the Aladdin story from acclaimed author Jessica Khoury. The definitive e-guide to more than 275 heroes, villains, aliens, and droids of the Star Wars galaxy. The latest edition of this beloved title has

been comprehensively updated to include new characters from Star Wars: The Rise of Skywalker and both seasons of Star Wars: The Mandalorian. Want to learn more about the Knights of Ren? Curious as to where Padmé Amidala is from? Wonder how tall Grogu is? To learn the answers to these questions and more, look no further than Star Wars: Character Encyclopedia Updated and Expanded Edition. Written by Star Wars experts, the ebook is full of fun facts and intriguing information that's guaranteed to enthrall fans of all ages. With plenty of lesser-known details, even die-

hard fans will learn new facts about iconic characters.
© & TM 2021 Lucasfilm Ltd. What do you do when your whole life is a lie? Go to college...I just found out that I'm a supernatural and now I'm attending Redwood Supernatural University. With its magic and mix of beings from myth and legend, I'm definitely not in the human world anymore. But not everything is picture perfect. I have the Bitch Crew that are determined to get rid of me, a guy that's hell-bent on teaching me a lesson, and my past haunting me in my dreams. It's not all bad though; I have my quirky roommate Sadie

and six guys who seem intent on keeping me around. I got this... hopefully. Book 1 of the Best Wishes Series The Best Wishes Series is a Why Choose/Reverse Harem saga featuring MMFMMM meaning there is M/M content, and the female main character doesn't have to choose between her love interests. This series contains references involving PTSD, sexual assault recollections, domestic violence, and other themes that some readers may find triggering. She holds the key to his heart, and he wants it back. When Arie reveals her Gift, she thinks the worst is over.

But she couldn't be more wrong. The only one who can save her now is a mermaid named Rena. Rena is the youngest daughter of the Sea King, and she's dreamed of the surface for years. But her first visit on her 16th birthday isn't what she expects. She watches a Jinni fall from the sky—and chooses to save him, despite her mother's warnings that all Jinn are evil. Once she meets Gideon, she can't get him out of her mind. And maybe, with a little help from Arie and some magic of her own, she doesn't have to... The Jinni Key is a loose "Little Mermaid" retelling. Set in a world that humans share with

mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of The Little Mermaid. WHAT READERS ARE SAYING: "There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale." Rachael Martin (Goodreads Reviewer) "I went into this story super excited to find out more about Rena and Arie, and I was

left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved *The Stolen Kingdom*, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun." Sarah Sutton (Goodreads Reviewer) "I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on *The Little Mermaid*. It

goes so far past that and you are invested in everything that is happening..." Katelyn Spedden (Goodreads Reviewer) "There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series!" Elira Barnes (Goodreads Reviewer) "This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality.

She makes an amazing POV character." Andrea Roberts (Goodreads Reviewer) "Once again, Bethany Atazadeh takes some risks with this *Little Mermaid* retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end." Janine (Goodreads Reviewer) "I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story." Kaylee White (Goodreads Reviewer) **THE STOLEN KINGDOM SERIES READING ORDER: Book 1: *The Stolen***

Book 2: The Secret Shadow
Book 3: The Secret Curse
Ever since Viola's boyfriend broke up with her, she has spent her days silently wishing—to have someone love her again and, more importantly, to belong again—until one day she inadvertently summons a young

genie out of his world and into her own. He will remain until she makes three wishes. Jinn is anxious to return home, but Viola is terrified of wishing, afraid she will not wish for the right thing, the thing that will make her truly happy. As the two spend time together, the lines between master and servant begin to blur, and soon Jinn can't deny that he's falling for Viola. But it's only after Viola makes her first wish that she realizes she's in love with Jinn as well . . . and that if she wishes twice more, he will disappear from her life—and her world—forever.
Jackson Pearce spins a magical tale about star-crossed

lovers, what it means to belong . . . and how important it is to be careful what you wish for. In 1105, six years after the first crusaders from Europe conquered Jerusalem, a Damascene Muslim jurist named 'Ali ibn Tahir al-Sulami (d. 1106) publicly dictated an extended call to the military jihad (holy war) against the European invaders. Entitled *Kitab al-Jihad* (The Book of the Jihad), al-Sulami's work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted, covering topics as diverse as who should fight and be fought, treatment of

prisoners and plunder, and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy. Al-Sulami's text is vital for a complete understanding of the Muslim reaction to the crusades, providing the reader with the first contemporary record of Muslim preaching against the crusaders. However, until recently only a small part of the text has been studied by modern scholars, as it has remained for the most part an unedited manuscript. In this book Niall Christie provides a complete edition and the first full English translation of the

extant sections (parts 2, 8, 9 and 12) of the manuscript of al-Sulami's work, making it fully available to modern readers for the first time. These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience, the precedents that influenced his work, and possible directions for future study of the text. In addition, an appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher from Asia Minor whose rhetorical style was highly influential in the development of al-Sulami's work. "When a princess

captures a jinn and makes a wish, she is transported to the fiery world of the jinn, while the jinn must take her place in the royal court of Baghdad"-- Provided by publisher. Uncover the secrets of the Skywalkers: the family that shaped a galaxy far, far away... The Skywalker story has everything: passion, intrigue, heroism, and dark deeds. This revelatory biography explores every twist and turn of the Skywalker dynasty: the slow seduction to the dark side of Anakin; his doomed marriage to Padmé Amidala; the heroics of Luke and Leia; the fall and redemption of Han Solo and Princess Leia's son, Ben; and

the struggles of his dyad in the Force, Rey. Leaving no stone unturned in tracing the dynasty's trials and tribulations, this definitive biography of Star Wars' first family explores and explains the deeper, more personal story of the Skywalkers, their characters, motivations, and, against seemingly impossible odds, their ultimate triumph. © AND TM 2021 LUCASFILM LTD. Obi-Wan Kenobi and Qui-Gon Jinn, his Jedi Master, are off on another adventure in order to teach Obi-Wan the lessons he will need to perform his life's tasks. Original. Movie tie-in. Written by a number of Islamic religious authorities

and Muslim scholars, this work presents the views and teachings of mainstream Sunni and Shi'i Islam on the subject of jihad. It authoritatively presents jihad as it is understood by the majority of the world's 1.7 billion Muslims in the world today, and supports this understanding with extensive detail and scholarship. No word in English evokes more fear and misunderstanding than "jihad." To date the books that have appeared on the subject in English by Western scholars have been either openly partisan and polemical or subtly traumatized by so many acts and images of terrorism

in the name of jihad and by the historical memory of nearly 1,400 years of confrontation between Islam and Christianity. Though jihad is the central concern of War and Peace in Islam: The Uses and Abuses of Jihad, the range of the essays is not confined exclusively to the study of jihad. The work is divided into three parts: War and Its Practice, Peace and Its Practice, and Beyond Peace: The Practice of Forbearance, Mercy, Compassion and Love. The book aims to reveal the real meaning of jihad and to rectify many of the misunderstandings that surround both it and Islam's

relation with the "Other." With most of Rabbit's zombie army out of the way, only one thing stands between Ox and Tiger and taking down Rabbit for good—Monkey. Her sheer strength and power, once disciplined in life, are completely unhinged in death, making her far and away the strongest fighter! With only four fighters and one zombie remaining, who will come out victorious? Don't miss the thrilling, unexpected conclusion to the twelfth Zodiac War! -- VIZ Media

Nobody knows her name or when she will strike. All they know is she is a deadly bounty hunter -- and her latest mission takes

her to Coruscant, the home of the Jedi. Her target: an old friend of Qui-Gon Jinn's. Qui-Gon and his apprentice, Obi-Wan Kenobi try to catch her and fail. Now they are her targets, too. Includes a bind-in sticker sheet. Award-winning author Patricia C. Wrede tells the final chapter of the Star Wars saga, in this incredible novel based on one of the most eagerly awaited movies of all time. The circle will now be complete: the final installment of the Star Wars saga, showing the emergence of Darth Vader, the downfall of the Jedi, and the revenge of the Sith. A dramatic page-turner that captures the

devastating toll of war and the impact of women's struggles and solidarity, through the lens of a little-known slice of history. In 1917, Russia is losing the war with Germany, soldiers are deserting in droves, and food shortages on the home front are pushing people to the brink of revolution. Seventeen-year-old Katya is politically conflicted, but she wants Russia to win the war. Working at a munitions factory seems like the most she can do to serve her country—until the government begins recruiting an all-female army battalion. Inspired, Katya enlists. Training with other brave women, she finds camaraderie

and a deep sense of purpose. But when the women's battalion heads to the front, Katya has to confront the horrifying realities of war. Faced with heartbreak and disillusionment, she must reevaluate her commitment and decide where she stands. Introducing Geralt the Witcher - revered and hated - who holds the line against the monsters plaguing humanity in the bestselling series that inspired the Witcher video games and a major Netflix show. Geralt of Rivia is a Witcher, a man whose magic powers and lifelong training have made him a brilliant fighter and a merciless assassin. Yet he is no

ordinary killer: he hunts the vile fiends that ravage the land and attack the innocent. But not everything monstrous-looking is evil; not everything fair is good . . . and in every fairy tale there is a grain of truth. Andrzej Sapkowski, winner of the World Fantasy Lifetime Achievement award, started an international phenomenon with his Witcher series. *The Last Wish* is the perfect introduction to this one-of-a-kind fantasy world. Translated by Danusia Stok 2020 IBPA Awards Winner! Discover the world of Star Wars' Jedi through this fun and fully interactive reading

experience. Join Jedi Master Luke Skywalker on a fully interactive journey into the world of the Jedi. NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Los Angeles

Times • San Francisco Chronicle • Harper's Bazaar • St. Louis Post-Dispatch • The Guardian • The Kansas City Star • National Post • BookPage • Kirkus Reviews From Salman Rushdie, one of the great writers of our time, comes a spellbinding work of fiction that blends history, mythology, and a timeless love story. A lush, richly layered novel in which our world has been plunged into an age of unreason, *Two Years Eight Months and Twenty-Eight Nights* is a breathtaking achievement and an enduring testament to the power of storytelling. In the near future, after a

storm strikes New York City, the strangenesses begin. A down-to-earth gardener finds that his feet no longer touch the ground. A graphic novelist awakens in his bedroom to a mysterious entity that resembles his own sub-Stan Lee creation. Abandoned at the mayor's office, a baby identifies corruption with her mere presence, marking the guilty with blemishes and boils. A seductive gold digger is soon tapped to combat forces beyond imagining. Unbeknownst to them, they are all descended from the whimsical, capricious, wanton creatures known as the jinn, who live in a world separated

from ours by a veil. Centuries ago, Dunia, a princess of the jinn, fell in love with a mortal man of reason. Together they produced an astonishing number of children, unaware of their fantastical powers, who spread across generations in the human world. Once the line between worlds is breached on a grand scale, Dunia's children and others will play a role in an epic war between light and dark spanning a thousand and one nights—or two years, eight months, and twenty-eight nights. It is a time of enormous upheaval, in which beliefs are challenged, words act like poison, silence is a disease, and a noise may

contain a hidden curse. Inspired by the traditional “wonder tales” of the East, Salman Rushdie’s novel is a masterpiece about the age-old conflicts that remain in today’s world. *Two Years Eight Months and Twenty-Eight Nights* is satirical and bawdy, full of cunning and folly, rivalries and betrayals, kismet and karma, rapture and redemption. Praise for *Two Years Eight Months and Twenty-Eight Nights* “Rushdie is our Scheherazade. . . . This book is a fantasy, a fairytale—and a brilliant reflection of and serious meditation on the choices and agonies of our life in this world.”—Ursula K. Le Guin, *The*

Guardian “One of the major literary voices of our time . . . In reading this new book, one cannot escape the feeling that [Rushdie’s] years of writing and success have perhaps been preparation for this moment, for the creation of this tremendously inventive and timely novel.”—*San Francisco Chronicle* “A wicked bit of satire . . . [Rushdie] riffs and expands on the tales of Scheherazade, another storyteller whose spinning of yarns was a matter of life and death.”—*USA Today* “A swirling tale of genies and geniuses [that] translates the bloody upheavals of our last few decades into the

comic-book antics of warring jinn wielding bolts of fire, mystical transmutations and rhyming battle spells.”—*The Washington Post* “Great fun . . . The novel shines brightest in the panache of its unfolding, the electric grace and nimble eloquence and extraordinary range and layering of his voice.”—*The Boston Globe* ‘One of only two novels I’ve ever loved whose main characters are not human’ *BARBARA KINGSOLVER* For fans of *The Essex Serpent* and *The Mermaid and Mrs Hancock*. ‘By far my favourite book of the year’ *Guardian* A jinni of tremendous ancient power and Empress

to Arjinna, Nalia was sold into slavery on the dark caravan, where jinn are forced to grant wishes and obey their masters' every command. She'd do anything to be free of the golden shackles that bind her to Malek, her handsome, cruel master, and his lavish Hollywood lifestyle. Enter Raif, the enigmatic leader of Arjinna's revolution and Nalia's sworn enemy. He promises to free Nalia so that she can return to her ravaged homeland and free her imprisoned brother. But freedom comes at a heavy price and danger is everywhere. In this gorgeous fantasy debut, Heather Demetrios brings to

life a deliciously seductive world where a wish can be a curse and shadows are sometimes safer than the light. Early in his career, Hitler took inspiration from Mussolini—this fact is widely known. But an equally important role model for Hitler has been neglected: Atatürk, the founder of modern Turkey, who inspired Hitler to remake Germany along nationalist, secular, totalitarian, and ethnically exclusive lines. Stefan Ihrig tells this compelling story. Two sisters. A war. And the wish to end regret. The sisters: Najwa and Zayele have just learned they're half-jinni, half-

human twins. Najwa chooses life in the human palace, working for peace . . . and hoping for more time alone with the prince. Zayele discovers she's one of the most powerful jinn of all—a magus. Suddenly, the strongest young men in the army are competing to be paired up with her. The war: The lies that started it all are out in the open now, but the war between the humans and the jinn is as bitter as before—and becoming more treacherous every day. The wish: Once again, Zayele makes a wish. A wish that neither sister could imagine would change the outcome of the

war—or their lives. Praise for Jinni Wars I: The Fire Wish: “War, magic, and romance kept me reading nonstop!” —Tamora Pierce, New York Times bestselling author of the Beka Cooper trilogy “A fantastically compelling and romantic read from a shining new voice in YA.” —Laini Taylor, New York Times bestselling author of Daughter of Smoke and Bone Sometimes your greatest Wish becomes your greatest challenge. Henry Tsien made a wish to gain magic in a mundane world. Now he’s a mage living in a supernatural and dangerous world. When news that he holds a powerful wishing ring

reaches the wrong ears, the danger grows imminent. Even the strongest of allies may fall as his enemies take action. Henry will have to run for his life, Leveling up and becoming more powerful as he tries to hide from his many enemies. All the while, Henry holds one last trump card. But wielding it might see the end of everything he and the world knows. A Jinn's Wish is the final book in the Hidden Wishes trilogy, a Gamelit / LitRPG urban fantasy novel that combines gaming concepts with popular fantasy tropes. It features a hidden supernatural world, magical leveling up, Knight Templars,

kickass women, and shadowy supernatural organizations. No romance, no harems but pure magic and adventure. Learn more about your favourite Star Wars characters from every movie in the saga The definitive guide to more than 200 heroes, villains, aliens and droids of the Star Wars galaxy is now packed with new characters from Rogue One: A Star Wars Story, Star Wars: The Last Jedi and Solo: A Star Wars Story. Want to know how tall Snoke is? Or learn where Maz Kanata is from? The Star Wars: Character Encyclopedia is full of fun facts and intriguing information that's

guaranteed to enthrall fans of all ages. With plenty of lesser-known details, even die-hard fans will learn new facts about iconic characters.

LUCASFILM LTD

From bestselling author Samira Ahmed comes a thrilling fantasy adventure intertwining Islamic legend and history, perfect for fans of Aru Shah and the Land of Stories. On the day of a rare super blue blood moon eclipse, twelve-year-old Amira and her little brother, Hamza, can't stop their bickering while attending a special exhibit on medieval Islamic astronomy. While stargazer Amira is wowed by the amazing

gadgets, a bored Hamza wanders off, stumbling across the mesmerizing and forbidden Box of the Moon. Amira can only watch in horror as Hamza grabs the defunct box and it springs to life, setting off a series of events that could shatter their world—literally. Suddenly, day turns to night, everyone around Amira and Hamza falls under a sleep spell, and a chunk of the moon breaks off, hurtling toward them at lightning speed, as they come face-to-face with two otherworldly creatures: jinn. The jinn reveal that the siblings have a role to play in an ancient prophecy. Together, they must journey to the mystical land of

Qaf, battle a great evil, and end a civil war to prevent the moon—the stopper between realms—from breaking apart and unleashing terrifying jinn, devs, and ghuls onto earth. Or they might have to say goodbye to their parents and life as they know it, forever.... Tom Greenlee, the CEO of Ameribank and the leader of a forty-member secret group called the National Association for Preserving White America, believes the country is self-destructing. He preaches that the white middle and upper classes of the country are finding their wealth stripped away, their beliefs trampled,

their culture spat upon, and their lives threatened by people of color. He and his group of "protectors" desire to carve out an independent nation of their own. As a fragmented and polarized society, Americans begin to feed on each other until they become a target for attacks by both internal and external enemies. A strike on Houston's Reliant Stadium kills and maims thousands of citizens. It's being touted as a scheme concocted by the CIA to keep the U.S. fighting in the Middle East. Minutemen vigilantes massacre a group of migrant workers and their families in order to intimidate others

from entering the country. Dan Louder, New York City's first black mayor, survives an assassination attempt. The New York Stock Exchange closes its doors. While the country teeters on the edge of destruction, the citizens of the U.S. must prepare themselves to live a very different existence in the future. Geralt de Riv, a witcher, uses his vast sorcerous powers to hunt down the monsters that threaten the world, but he soon discovers that not every monstrous-looking creature is evil, and not everything beautiful is good. "The philosophical tenets that inform the Jedi Code are focused

on peace, knowledge, serenity and harmony, and are applicable not just in the galaxy far, far away, but also in our own galaxy, here and now. This accessible pop culture spin on mindfulness takes lessons from Star Wars-based in character statements and quotations-and briefly illuminates and expands on them (in a few sentences to a paragraph) to illustrate how readers might apply them to their own lives"-- Even a powerful Jinn can't fix Maalik's broken heart. Or can they? He's got three wishes to find out. Maalik's always been able to glimpse the future.

His gift—his curse—is why he and his brethren found themselves trapped in a network of tunnels for more than three thousand years. Now that he’s escaped, the path ahead is murky. However, he is determined to right a wrong in his past. For that, he’ll need a Jinn to grant him three wishes. What he doesn’t expect is to find himself falling for the enemy. Is he finally ready to let go of the past and stop trying to change the future so he can find happiness in the present? genre: paranormal romantic comedy, dragon romance, genie romance, jinn romance, alpha male, magic and sorcery, romantic

fantasy This comprehensive volume provides easily-accessible factual material on all major areas of warfare in the medieval west. The whole geographical area of medieval Europe, including eastern Europe, is covered, including essential elements from outside Europe such as Byzantine warfare, nomadic horde invasions and the Crusades. Progressing chronologically, the work is presented in themed, illustrated sections, with a narrative outline offering a brief introduction to the area. Within each chronological section, Jim Bradbury presents clear and informative pieces

on battles, sieges, and generals. The author examines practical topics including: castle architecture, with examinations of specific castles ship building techniques improvements in armour specific weapons developments in areas such as arms and armour, fortifications, tactics and supply. Readable and engaging, this detailed provides students with an excellent collection of archaeological information and clear discussions of controversial issues.
